

Billetix - Source WS Shotgun

Source settings

When configuring the source, the following elements are requested:

ShotGun Test

Key Billets Wilout-5bdca[redacted]941d244d

Key Events

Organizer Id 174[redacted]

OK

The "Key Events" parameter is optional.

However, it is mandatory if you want to use the "Automatic Representation Programming".

These parameters will be provided to you by your Shotgun representative .

The status of tickets already scanned by Shotgun is transmitted to us at any time.

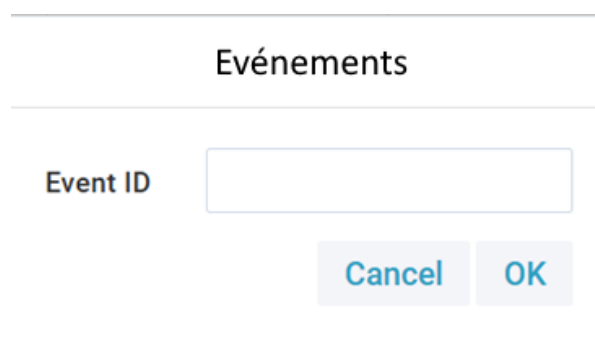

The "ticket scanned" status will be sent to Shotgun when a ticket is scanned. An option "No retrieval of scanned tickets" is available; it is present on the event selection page.

Source creation (use)

When a Shotgun source was created:

If "Key Events" is present, a list of future events will be displayed.
(Skip the next paragraph and go directly to: " [Select the event, then validate](#) ")

If "Key Events" is absent, the " The Event_ID of the event to be loaded is requested.

Événements

Event ID

Cancel OK

If you have the " Event Id", enter it and it will be selected.
(Skip the next paragraph and go directly to: " [The event is selected](#) .")

If you do not have this "Event ID", click OK.

All future events of the organization that have tickets are listed.

[Select the event and then confirm](#) :

Evénements		
Événement	Date	Event ID
ABOU TALL	23/10/2025 18:00	453821
JetLag (vol.5) - Reggaeton y Perreo	24/10/2025 21:30	469332
